

October 22, 2007

City of Arlington Heights  
Office of the Mayor  
33 S. Arlington Heights Road  
Arlington Heights, IL 60005-1499

Dear Mayor Mulder,

This year was Ride to Work's most successful ever! Thank you for your support. And 2007's Annual Motorcycle and Scooter Ride to Work Day was the largest ever! Supporting this event was a great benefit to everyone in your community, and especially to all motorcycle and scooter riders.

In 2006, twenty-two American cities issued Proclamations recognizing and supporting the Annual Motorcycle and Scooter Ride to Work Day. In 2007 your city, and twenty-eight additional cities, issued Proclamations of support and encouragement, recognizing motorcycle and scooter riding as a positive form of personal automobility.

Next year's Ride to Work Day will be Wednesday, July 16, 2008. This is the world's largest motorcycle and scooter rider's event in total number of participants. That participation number estimate is based on years of closely observed local participation numbers, made at many locations across the country (and around the world...), and extrapolated nationally (and globally...).

A complete listing of all RTW Day Proclamation-supporting cities, and a .pdf of all the support Proclamations, is available at <<http://www.ridetowork.org/node/8>>

Thank you all for your 2007 RTW Day support Proclamations, and for your ongoing efforts to improve transportation systems and options for everyone in your city.

Best Regards,

Andy Goldfine
