

The City of El Cajon

California

PROCLAMATION

“RIDE TO WORK DAY” July 19, 2006

WHEREAS, *the price of fossil fuels is growing and supply is diminishing. The use of fossil fuels continues to damage our health by pollution and our future through global warming. Our infrastructure repairs fail to keep pace with its degradation; and*

WHEREAS, *scooters and motorcycles use less fuel, cause less pollution and have little impact on our infrastructure. Scooters and motorcycles require only a fraction of space taken by other vehicles to park, thereby addressing an ongoing problem in our City. For these reasons, scooters and motorcycles offer a form of daily transportation to be encouraged; and*

WHEREAS, *July 19, 2006 has been designated as “Ride to Work Day” to highlight the positive daily use of scooters and motorcycles.*

NOW, THEREFORE, I, Mark Lewis, Mayor for the City of El Cajon, together with the City Council, do hereby proclaim the nineteenth day of July, two thousand and six to be “Ride to Work Day” in the City of El Cajon and encourage scooter and motorcycle riders to ride to work on that day.

Signed this nineteenth day of July, two thousand and six.

Mayor
